920-655-3624

Entries Due:	July 15 th	Poultry Arrival:	Tuesday, 3:00 p.m. – 7:00 p.m.
Cage Reservations Due:	July 15 th	Judging (Straight Style):	Wednesday, 8:00 a.m.
		Release:	Sunday, 6:00 p.m.

IN ADDITION TO THE RULES LISTED BELOW, PLEASE REFER TO ALL THE RULES AND REGULATIONS LISTED IN THE FRONT SECTION OF THIS BOOK.

GENERAL RULES: OPEN DIVISION

Exhibitor:

- 1. ENTRY REQUIREMENT:** Birds must be entered in the name of their owners.
- 2. PULLORUM TESTING:** All poultry (chickens, ducks, geese, turkeys, pheasants, guinea fowl) must turn in documentation of negative Pullorum Typhoid. Turkeys must also be Micorplasma Gallisepticum Free. Pigeons are exempt from testing.
Documentation must be turned into the superintendent **BEFORE** birds are brought into the poultry barn.
Birds will be individually checked in.

Examples of Documentation:

1. NPIP Health Status on your invoice from the hatchery for the exhibit year. This would be birds hatched AFTER January 1 of the exhibit year. Invoice must specify breeds of birds.
2. Wisconsin Individual Poultry Test Report and numbered leg band for each bird tested.
3. Wisconsin Tested Flock Status
ALL birds on your premises must be tested EVERY year after June 30 of the exhibiting year.
4. Wisconsin Associate Flock Status

Anyone not having proof of documentation cannot exhibit their birds. No testing will be done at the fair. This testing is mandatory by the Wisconsin Department of Agriculture, (608)224-4872.

3. PREMISE I.D. NUMBER: Premise I.D. number is mandatory by Wisconsin Department of Agriculture. Premise I.D. number can be obtained at <http://wiid.org/>.

4. INFECTIOUS DISEASE: The WI Department of Agriculture or the Fair Management reserves the right to have an approved veterinarian examine all fowl and to exclude any fowl at that time for cause.
* Any exhibit excluded will be returned to the owner or slaughtered, at the option of the attending veterinarian or the WI Dept. of Agriculture.
If slaughtered, any return for the sale of the birds will be remitted directly to the owner.

* All fowl exhibited may be subject to quarantine and slaughtered if any infectious disease is discovered among any of the fowl in the exhibit.

5. LICE AND MITES: All birds brought to the Fair are required to be TREATED and be FREE of lice or mites prior to arrival. Entries found with lice or mite infestation shall be disqualified and/or removed from the Fair at the discretion of the superintendent and/or veterinarian.

6. FOOD AND BEDDING: Each exhibitor must furnish their own feed, provide bedding as well as clean and care for their poultry on a daily basis. Please use shavings as bedding.

Food and Water containers must be securely attached to the cage.

Daily chores are to be completed by 9:00 a.m.

7. **VETERINARIAN:** If you are in need of the veterinarian, you or a decision making family member must stay with the animal until the vet has completed the examination and made diagnosis.

8. Please read the Animal Welfare Awareness Policy in the Exhibit Handbook www.browncountyfair.com

Any Exhibit or Health questions can be directed to the Superintendent.

9. Stall reservations should be made by each family showing, they are under stall reservations on the fair website. Reservations should be made by July 15th.

Animal:

1. Age Classifications:

- Cock:** Cock is a male bird hatched prior to Jan. 1 of the exhibit year.
- Cockerel:** Cockerel is a male bird hatched after Jan. 1 of the exhibit year.
- Hen:** Hen is a female bird hatched prior to Jan. 1 of the exhibit year.
- Pullet:** Pullet is a female bird hatched after Jan. 1 of the exhibit year.
- Turkeys:** All turkeys must be 6 months of age or younger. Turkeys over 6 months may not be entered.
